

ב"ה

"אנשים נשים וטף"

דומה לכך גם "בעולם קטן - זה האדם": אצל כל אחד ישנם (צריכות להיות) כל התכונות הא-מורות: התוקף והעוצמה של "אנשים", הזמן והכוחות שלו המסוגלים וצריכים להנהיג ולהשפיע ולהאיר מסביבו, בהנהגת העולם, וכך - של "נשים" - בהנהגת הבית, ויחד עם זה גם צריך להיות גם תלמיד ומחונך, כלשון חז"ל: "איזהו חכם- הלומד מכל אדם",

וגם בכך מלמדת מצות "הקהל" את כל יחיד, ב"עולם קטן" שלו, שהוא נדרש "להקהיל" את כל תכונותיו השונות, של "אנשים, נשים וטף", ולהכניס אותם ב"בית המקדש" הפנימי שלו, בהתמסרות מוחלטת לדבר המלך, זה הקב"ה, עד שיהיו כולם חדורים כליל ב"ליראה את השם". ויה"ר שכל אחד ואחת, כולל ילדים קטנים, ינצלו את האפשרויות והכוחות הבלתי רגילים, ששנה זו, "שנת הקהל" מביאה אתה, בכל עניינים האמורים, באופן שיבואו לידי מעשה בפועל.

INTERNATIONAL CONFERENCE OF SHLUCHOS
18-22 Shevat, 5769 • February 12-16, 2009
LUBAVITCH WORLD HEADQUARTERS
770 Eastern Parkway, Crown Heights, New York

WELCOME TO THE 21ST YEAR OF THE ANNUAL KINUS HASHLUCHOS !

5769/2009

As Shluchos world round we have matured, we have withstood difficult moments with dignity, internalized important lessons and found renewed strength in our sisterhood. A family, almost 4000 strong, we gather in an atmosphere of kedusha, to listen and to learn, to share and to gain.

B'rov Am Hadras Melech, each shlucha has made great effort to participate, to be here, to stand up and be counted, so that our very numbers bear witness to the phenomenon of our growth that defies any explanation.

In response, Merkos Linyonei Chinuch, has invested ever greater resources and attention to make this year's kinus a rewarding event for each participating Shlucha. For this we thank you, and we recommit our steadfastness and determination to advance the wishes of the Rebbe זי"ע.

The Kinus is a forum for introducing new ideas and for seeking creative solutions to the different challenges that occur in the life of Shlichus. Towards this end, the program is replete with presentations covering many of our Shlichus activities. This year there is also a greater focus on introspection and opportunities to discuss and deal with each shlucha's personal development.

The 21st yearzeit of the passing of Rebbetzin Chaya Mushka זי"ע, is a milestone year for the Kinus. It is therefore especially important to experience the spiritual growth and deepened hiskashrus with the Rebbe that the Kinus hopes to advance. We

have dedicated a full day, a Yom Iyun, with a spotlight on study and delving into the inspiring sources that guide us day to day.

For the Shluchos of Eretz Yisroel and the CIS, this year's program holds added delights in a very directed program of workshops specific to their needs.

The solidarity among Shluchos, the experience of **שבת אחים גם יחד**, has proven to be a tremendous bolstering and exhilarating benefit of the Kinus. It is our hope that each of you will leave this year's Kinus nurtured and fortified in both practical and spiritual terms, giving you the provisions to grow and new skills to succeed in your respective Makom HaShlichus.

Many thanks to the Vaad HaKinus and all Shluchos who participated in developing this year's Kinus conference. They have voluntarily devoted long hours, expertise, much thought and attention to make this a memorable experience for you.

Hanholas Kinus HaShluchos

The Program Guide

This program booklet also includes the Guest and Post-Seminary conferences' schedules, following the main shluchos program.

All sessions and meals must begin and end on time; please be punctual.

Simultaneous translation into Hebrew will be available at all general sessions as well as the Banquet; radios will be available in the lobby of Oholei Torah before each session.

As a courtesy to your fellow shluchos, please set your cell phones

Merkos Mentors

This year once again a mentoring program will be hosted. The offices at Merkos enlisted the help of many Shluchos with expertise and experience in dealing with specific Shlichus issues. Shluchim and Shluchos are available throughout the Kinus for one-on-one discussions. Shluchos may sign up for individual sessions. These initial consultations will be followed up with guidance from the mentoring Shluchos throughout the year as needed. This program offers a guidance and counseling service as well as an advice and referral center. There is a list of available shluchos / mentors and their individualspecialties on line.

For further information and to register please visit www.MerkosMentors.com .

on vibrate throughout the general program and workshop sessions.

All shluchos will receive an official ID necklace upon registration, plus a special bracelet. You will need to display your ID to gain admittance to all sessions and meals. The bracelet needs to be worn to gain access to the banquet.

Please wear your ID necklace throughout the entire Kinus (except Shabbos) as a way of introduction to your fellow shluchos.

A private nursing station will be available at all times during the Kinus in the womens' lounge on the lower level and in the Library on the 3rd floor.

Beginning Thursday evening through Sunday there will once again be an information/welcome booth in the lobby.

Round trip transportation from central Crown Heights locations will be provided for the banquet. Please see page 37 for details.

The Babysitting service will be in the large ballroom on the 2nd floor. This will enable us to properly care for your children in the best facilities. Babysitting will be available for pre-registered nurs-

ing babies only during the hours of the Kinus. Please remember that your baby may be unaccustomed to his/her new surroundings and as a result, the babysitter may need your attention at any time during the day. Please bring along any supplies that your baby might require. For older children, please inquire about other options at the babysitting registration area. The elevator will be staffed during the Kinus. Please enter through the school entrance door on the street level and take the elevator to the babysitting area on the 2nd floor. There will be babysitting at the museum.

Our thanks and appreciation to the Vaad of Shluchos coordinating all aspects of the Kinus, together with the New York based committees. Their names appear at the end of this booklet.

The Hanholas HaKinus has arranged for the Rebbe's room to be open for Shluchos on Thursday evening, 18th of Shevat from 9:00 - 10:00 pm and on Motzoei Shabbos, 20th of Shevat, from 7:30 to 8:30 pm

Finally, please remember to sign the פ"ג in the lobby. We wish you an enjoyable and inspiring Kinus!

HACHLOTOS TOVOS KINUS HASHLUCHOS 5769

As daughters of The Rebbe, Nosi Doraynu, we the Shluchos, have been charged with the mission of preparing ourselves, our families and our communities for the hisgalus of Moshiach Tzidkaynu.

We are humbled by the privilege of being integral partners with one another, each a crucial and vital link, in ensuring that The Rebbe's vision of the geulah shlayma becomes an immediate reality!

In the spirit of Shnas Hakhel, that of gathering together to foster unity and encourage commitment to Torah and mitzvos, we resolve to undertake an appropriate hachlata in each of the following areas,

LIMUD HATORAH

To encourage more learning for women by;
starting a weekly shiur
encouraging more women to attend an already existing shiur
having a telephone chavrusa
sending a weekly d'var Torah email to your women's list

KIYUM HAMITZVOS

To encourage a greater commitment to mitzva observance in the areas of Shabbos, Kashrus or Taharas Hamishpocha by;

Offering the interactive course unveiled by Merkos and coordinated by JLI, introducing the three special mitzvos of women to your community

Hosting extra families or singles for Shabbos
Providing Shabbos kits (candles, challah rolls, grape juice) to local nursing homes or college students
Arranging Kosher Week at a local supermarket
Holding a kosher cooking demonstration
Organizing a tour of your local mikvah
Encouraging another family to learn about and use the mikvah

In addition, each shlucha should take upon herself, in memory of our sister shlucha Rivkah Holtzberg רי"ב, to make an appropriate hosofa in the area of tznius. which will in turn bring security for Eretz Yisrael and the entire Klal Yisrael.

These hachlotos are suggested examples and it is up to each shlucha to evaluate the most effective hachloto for her community. The hachlotos that are chosen should be entered into the form provided on-line at My Chabad and will be compiled into an international list and taken to the Ohel. Monthly reminders will be sent out to help you keep track of the hachlotos undertaken and to give chizuk to one another in these very important commitments.

You are highly aware that every new mitzvah performed by a Jew is adding holiness to Eretz Yisroel, the Holy Land. I often get the feeling that we are actively preparing Eretz Yisroel for the coming of Mashiach by increasing Torah learning and mitzvah observance among its citizens. The Rebbe has in fact stated at a farbrengen that our shlichus should be a preparation for the fulfillment of the promise that when Mashiach comes, G-d will personally gather the Jews individually from exile to return them to Eretz Yisroel.

בכמה עניינים חיוניים ביותר לכלל ישראל... תופסת האשה מקום חשוב ביותר. אחד מהם הוא ענין אחדות המשפחה. בידה נמצא המפתח לאחדות בין ההורים וילדיהם, בין ההורים עצמם ובין הילדים עצמם. בטשט זה נראה ברור, שהאשה-האג קובעת, ברוב המקרים, הרבה יותר מאשר האב-הבעל, וזה אחד הטעמים לכך שהיא נקראת "עקרת הבית". ברור גם, שענין האחדות בישראל בהיקף נרחב יותר, תלוי באחדות שבמשפחה. כשחסרה חלילה האחדות במשפחה, אין לצפות לאחדות בין משפחה אחת לחברתה.

Raising Chassidishe Children

The goal of chinuch is not that the child should grow up to be a 'gadol hador', however that they should grow to be a 'Torah-Yid' and not ח"ו in any other way.

The first condition to fulfilling this with the child is that he should see a role model – dugma chaya...

אחרי שמיטה, המשכה החדשה בשנת הקהל

כמו שהוא בימים - הוא ג"כ בשנים, שכל ז' שנים הוא דבר בפ"ע, ו' שנים כנגד ו' מדות ואח"כ שנת הז' - שמיטה - לנגד המלכות, וכמו "שבת" בימים השביעים חביבים וכו' כך נאמר בשביעית שבת לה'.
בהיות עולה בשנת השמטה, חיות כל שמטה שעברה, ומתחיל פרט חדש, צריך להמשיך כח ואתערותא על העבודה וקבלת עול מלכות שמים - וזהו עיקר מדרגת המלכות - שהוא ראשית ותחלת העבודה.
ולכן גם מצות הקהל, שמתחילין להמשיך על הפרט החדש, הוא בכח שמטה שעברה. ולכן נקבע הזמן "מקץ שבע שנים", כי זה בא בכח ורשימו מעבודת ז' שנים שעברו.

(רשימות" חוברת ז')

בזמן שמחתנו דוקא

ההתחלה צ"ל מזמן שמחתנו, כיון שכל המצוות שקיבלו עליהם בשמחה הובטחו שלא יתבטלו, כמו"כ חיזוק והוספה בלימוד התורה וקיום המצות צ"ל מתוך שמחה, במילא לא יתבטל ונהי' לא ימוש מפיד ומפי זרעך ומפי זרעך.
(משיחת ש"פ בראשית-ב תשכ"ז סס"ח)

אחר שנת השמיטה דוקא

אחד ההסברים לכך שמצוות "הקהל" נקבעה בזמן האמור הוא: מאחר ושנת השמיטה היא "שבת לה", שבה נוצל הזמן שבו היו חפשיים מעבודת שדה וכרם להוסיף בלימוד התורה, בתפלה ובקיום המצוות במדה מוגברת - היתה זו ההכנה המתאימה וההכרחית לעלי' לבית המקדש כל בני ישראל אחד וקהל אחד ולהאזין לקריאת התורה כאילו היא נשמעת מפי הגבורה, תוך חוויה נשמטית עמוקה, כבמתן תורה בהר סיני, דבר שנחקק עמוק בלב ובמוח והשתקף לאחר מכן בחיי יום יום במשך כל השנים הבאות.

כאשר מציעים לנסוע לשליחות, ישנם שרצונם לנסוע דווקא למקומות בהם מצויים אלפים ורבות של יהודים...

על כך ייאמר לו, דיו לעבד שיהא כרבו. כשם שלקב"ה מתאים לאחוז בידו של אחד-יחיד מישראל ולקחתו לארץ-ישראל – גם לך מתאים ומחוייב אתה ללכת ולהתעסק אפילו עם יהודי אחד בודד ולהדליק בוא את "הנר מצווה ותורה אור", ו"כל המקיים נפש אחת מישראל כאילו קיים עולם מלא".
על אחת כמה וכמה כאשר מדובר במספר גדול יותר של יהודים, תשעה יהודים, או כמה פעמים ככה, שבוודאי עליך לנסוע אליהם ולפעול עמם.

"טף"

מצות הקהל קשורה גם עם טף. ואדרבה: בנוגע לאנשים ונשים, המצוה קשורה גם עם ענינים אחרים: אצל אנשים "ללמוד", אצל הנשים "לשמוע", משא"כ אצל הטף, עצם המצוה של "הקהל" בלי שום ענינים אחרים. שהרי מה שמביאים הטף הוא "לתת שכר למביאיהם", אבל בנוגע להטף עצמם, הנה השתתפותם במצות הקהל הוא רק המצוה עצמה, בלי פניות אחרים, אף פניות של קדושה.

Shalom Bayis

In several vital areas for the Jewish people, the woman take a supremely important place. One of them is the unity of the family. In her hand lies the key for unity between parents and children, between the parents themselves and the children themselves. In this area it is clear that the woman/mother supersedes over the husband/father, and that is one of the reasons she is called the 'foundation of her home'. It is also clear that the unity of Israel in a general way is dependant on the (specific) unity of the (individual) family. When the unity is G-d forbid missing from the individual family, we can't expect unity from from family to another.
