CHABAD
PARTNERS
CONFERENCE

~ JEWISH CHILDREN'S MUSEUM ~

26 Cheshvan, 5780
November 24, 2019

For more than half a century, the Shluchim of the Lubavitcher Rebbe ז"ל have worked passionately to create a rich Jewish life experience for individuals and communities worldwide.

For more than half a century, Chabad-Lubavitch Shluchim have partnered with lay leaders to turn the vision of one individual into the vibrant reality of millions.

Today, these partnerships have given rise to revolutionary growth in Jewish life.

Blessed with a mutual fervor for Jewish life, Chabad Shluchim and community lay leaders score achievements that not only endure, but grow, even in difficult economic times.

**HONOR THE VISION.
CELEBRATE THE PARTNERSHIP.
EXPLORE THE POSSIBILITIES.**
